Even after years of using ProScan and TeamScan to improve the management of employees and departments, clients are still amazed by the simplicity, accuracy, and utility of PDP metrics. Recently, one of PDP's long-time clients in the healthcare industry began a major reorganization.

Health Care Industry

Because of that warning and the diligent work they have devoted to their communication skills, they have built a strong and loving relationship. While PDP has enjoyed great success in the business world and in management, this story is a clear illustration how useful PDP can be to “people issues” outside their work environment!
